John Connolly  
Executive Director  
Institute for Public Dialogue  
2310 Marinship Way, # 16  
Sausalito, CA 94966

Dear John,

Public Talks is an approach to conflict resolution that is entirely different -- and far more expansive than anything else in the field.

Congratulations on the progress to date. We can only hope that more political and governmental leaders will begin to see that Public Talks is an idea whose time has come.

Many thanks

Gordon Feller  
Chief Executive  
Urban Age Institute
